

International Shipping Policy

International orders will be charged actual shipping costs plus insurance charges. **PLEASE NOTE:** Any orders placed online will be charged the domestic rate for shipping and will be contacted later for final shipping charges as we do not store payment information. These charges will need to be paid before we can ship out any of the materials you purchased. If an international customer cannot be contacted within 30 days by phone or email about payment for actual shipping charges this will result in the canceling and refunding of an order.
