Address Changes/Missing Packages

Please contact us ASAP about any address changes during your order process. While placing your order if you know that you will be moving or may need your package sent to a different address depending on when it is sent please let us know in the notes section of your order. After the label is created and your item has been received by the post office it is very difficult for us to change its destination, please make sure to contact us as soon as you know that your address has changed.

If you have not received your package and have checked the tracking of this package please reach out to us and we will help you track down your package! Some packages may be too large for your mailbox and may be taken back to the post office for you to go pick up there. If this is the case you should get a notice but can also see that in the package tracking

Returned to Sender Packages

If your package is sent out and is not able to be delivered you may be subject to extra shipping charges in order for us to reship the materials to you.

All returned international shipped packages will require that you pay shipping again.

If your package is returned we will reach out to you providing as much information as we can as well as inform you of any shipping charges that need to be paid in order for us to ship out your materials again.

If a package is returned to the sender two times we will require a different ship to address. If you are unable to provide a different shipping address the order will be canceled and a refund for the materials will be issued to your form of payment. No shipping charges will be refunded.
